

*"God wants me to be a good person." "God wants me to be happy." "God needs us." "God is there for us whenever we need him." We hear a lot of things about God that *sound* true, but are they really true? And how can we know? In this series we'll talk about some common ideas about God and then look at the Bible to find the deeper, better truth behind them.*

## This Week

Does God need us? We know an all-powerful, all-knowing God doesn't *need* anyone's help. But because of His grace, He loves us and *chooses* us to join Him in His mission.

## Scripture

*"The God who made the world and everything in it, being Lord of heaven and earth, does not live in temples made by man, nor is he served by human hands, as though he needed anything, since he himself gives to all mankind life and breath and everything."* -

**Acts 17:25**

## Bottom Line

God doesn't need us, He loves and chooses us.

## Questions

- Have your parents ever asked you to help them with something they could do on their own? Have you ever done the same with a younger sibling? Why ask for help if you could do it by yourself?
- Why do you think God chooses to use us in His mission?
- How did you feel when you heard that God doesn't need you? What about when you heard that He loves and chooses you?
- What's the difference between God needing and choosing us?
- Can you think of a time when God has chosen to use you?

## Parent Discussion Point

Share with your student how God has chosen to use you in the past and how you've seen God choosing to use them.
